In forwarding herewith a copy of letter C.R.No.1898-41 dated 1-11-41 received from the District Health Officer, Bellary,I have the honour to recommend that Siruguppa taluk of Bellary district may be notified as infected with cholera and necessary powers conferred on the Collector and the District Health Officer.

I have the honour to be,
Sir,
Your most obedient servant,

R Adhs 11 41

Director of Public Health,Madras.

Copy of letter C.R.No.1898/41 dated the 1st November'41 from the District Health Officer,Bellary to the Director of Public Health,Madras.

Subject:- Cholera-Outbreak-Siruguppa taluk-Notification-under section 76(1)of Public Health Act-Requested.

Ref:- This office reference to President,District Board,Bellary-C.R.No.1898/41 dated 22-10-41.(Copy to Director of Public Health).

Cholera broke out in Tsallakudlur village of Siruguppa taluk on 5-10-41. There were altogether 21 attacks and 10 deaths till 19-10-41. There was also a suspected case of cholera at Vattumuravani about 2 miles from Tsallakudlur on 12-10-41. Another village viz., Matur about 2 miles away got infected on 20-10-41 and reported 4 attacks up to 25-10-41.

Source of infection.- Tsallakudlur village got infected from a case imported from Gavigattu village of H.E.H.Nizam's dominions and Vattumuruvani from Tsallakudlur.

All preventive measures such as inoculation and disinfection are carried out.

Though no case has been reported from these or other villages since dated 25-10-41 the infection may in all likelihood,breakout into an epidemic in the taluk. As 3 villages are visited and the taluk may be considered to be threatened.

I request that the Government may be addressed to issue a notification under section 76 (1) of Public Health Act declaring Siruguppa taluk as cholera infected,and to delegate powers to the District Health Officer under section 76 (2)
